

# OUR BEST IS MADE OF **YOURS**

*Saputo*

---

## **PROCESS IMPROVEMENT ENGINEER**

Davidstow  
Full Time | Permanent

### **YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...**

- Providing manufacturing engineering support to the Operations department
- Ensuring reliability and efficiency of all process manufacturing facilities on site
- Providing technical and decision making guidance on all aspects of engineering work on the process lines
- Making decisions on spare parts holding and procurement
- Inputting and decision-making around change management projects, both engineering and productivity

### **YOU'RE BEST SUITED FOR THE ROLE IF YOU ARE...**

- In possession of advanced engineering qualifications and have the matching background. You will likely have gained this through an apprenticeship with day release training to HND level or equivalent
- Experiences with at least 5 years within an FMCG / food manufacturing company
- Highly proficient in your practical ability; a time served tradesman would be ideal
- Excellent in your process expertise with either lean or six sigma experience

### **WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...**

- 25 Holidays + 8 bank holidays
- Bonus scheme paid QUARTERLY
- A Health Cash Plan
- Generous employer pension contributions
- Free, onsite parking
- Discounted branded products
- A subsidised staff restaurant
- Life Assurance
- Recognition of long service every 5 years
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UKs largest retailers & service providers.
