Saputo

HEALTH, SAFETY & COMPLIANCE ENGINEERING LEAD

Davidstow
Permanent

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Being responsible for the leadership, control and development of the engineering compliance activities associated with engineering (maintenance and capital delivery as well as plant operations).
- Maintaining statutory compliance, support and guidance into the site functions.
- Improving site health and safety performance through the development of its systems, processes and procedures

YOU'RE BEST SUITED FOR THE ROLE IF YOU HAVE...

- Experience in working in a role related to an engineering discipline. (5 minimum of years)
- An Apprenticeship, HNC or City & Guilds equivalent.
- A Safety Qualification e.g. IOSH Managing Safely, NEBOSH Diploma (or equivalent)
- A good detailed understanding of statutory/legal framework associated with health and safety legislation.
- Possess a detailed understanding with CDM legalisation, implementation and execution.

WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...

- Generous employer pension contributions
- Free, onsite parking
- Discounted branded products
- Subsidised staff restaurant
- 25 Holidays + 8 bank holidays (pro rata for part time employees)
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UKs largest retailers & service providers.

We support employment equity. Saputo strives to embed diversity and inclusion in its operations and invites candidates from all horizons to join our team.
