SAFETY ENGINEER – POWER & CONTROL

Davidstow

Full Time | Fixed Term Contract (2 years)

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Supporting the restoration and implementation of electrical and control safety compliance activities associated with engineering.
- Supporting the permitting and control of contractors on site including capital projects.
- Working on an individual basis as well as part of the wider engineering team to maintain, prioritise and efficiently close out safety compliance works.
- Driving site electrical and control systems repairs, general engineering installation and repairs in accordance with site and group engineering standards.

YOU'RE BEST SUITED FOR THE ROLE IF YOU ARE...

- A strong Engineer with qualifications in the field - probably through apprenticeship and day release training to HND level or equivalent.
- An experienced Engineer with proven experience within a FMCG / food manufacturing company.
- Practically able. A time served person would be ideal.

WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...

- Completion bonus
- Generous employer pension contributions
- Life Assurance
- Free, onsite parking
- Discounted branded products
- Subsidised staff restaurant
- 25 Holidays + 8 bank holidays pro rated
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UK's largest retailers & service providers.

We support employment equity. Saputo strives to embed diversity and inclusion in its operations and invites candidates from all horizons to join our team.
